STATEMENT OF ADDITIONAL
GROUND FOR REVIEW

Appellant.

I, Damien R Davis, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

I never recieved a copy of my discovery before my trial and was rushed to skim through it in one week. A defendant has the right to have a copy of his or her discovery to come up with a proper defense strategy. Plus my first attorney withdrew from my case after i chose not to take a deal that he and the prosecutor tried to convince me to submit to.

Additional Ground 2

The prosecution ignored all exculpatory evidence and statements and only focused on specific inculpatory to their liking, which left an impact on the jury that cannot be undone. My trial was bias, prejudice and unfair. In closing arguments the prosecutor bullied the jury into finding me guilty of a crime i agreed not to do but never warned law enforcement in a timmingly fashion.

If there are additional grounds, a brief summary is attached to this statement.
